EDUCATION

B.E., Mechanical Engineering
Kumaraguru College of Technology

Graduation:
May 2024
CGPA: 7.5

DIPLOMA
Muthayammal polytechnic college

Graduation:
April 2021
Marks: 94 %

CLASS10
GHHS State Board

Graduation:
2017
Marks: 68 %

SKILLS

Coding

- Python
- HTML,CSS
- SQL
- Java script
- Bootstrap
- React Js
- Angular Js

Designing

- AutoCad
- Creo
- Solid works

CARRIER OBJECTIVE

I am looking forward to a challenging role as Full Stack Developer, where i can use my front-end and back end Development skills, also lead projects that make positive impact with technology innovation. Keen on tackling challenging puzzles, working with vibrant groups of individuals and growing non-stop in a dynamic environment full of new sparks.

PROJECTS

- **DESIGN AND FABRICATION OF AGRICULTURE SPRAYER AND SEED SOWING MACHINE** – The objective of an agriculture sprayer and seed sowing machine is to streamline and optimize the process of crop management by combining two essential tasks into a single, efficient operation.
- **WATER QUALITY MONITORING SYSTEM** - To measure the chemical composition present in the river regularly. Stores the chemical values in the cloud. Alerts necessary authorities when the toxicity of the river increases the threshold value.

EXTRACURRICULAR

- WUSHU ATHELETE(STATE WINNER - GOLD)
- ANNA UNIVERSITY INTERZONE WINNER
- 4 TIMES NATIONAL PARTICIPANT
- NSS,VBC,RR,ROTRACT - PRO AND CLUB ADVISOR
- COLLEGE LEADERSHIP COUNCIL - VP
- KMAC - VP
- WUSHU COLLEGE TEAM - CAPTAIN
- COLLEGE CORE TEAM MEMBER
- DEPARTMENT ASSOCIATE DIRECTOR

SOFT SKILLS

- Creativity
- Team work capability
- Project management

CERTIFICATIONS

- Full stack python developer
- C Programing
- Engineering mechanics: statics
